We have 10 couples committed and signed up with room for 15 more couples. Please plan to join us and RSVP immediately at my email dcrosley@9dotsolutionsllc.com. This assures you're one of the 25 couples to be part of this unique encuentro milonguero.

David will confirm with a call or email reply. Once you are confirmed, complete the registration information on page 3 and send your check(s) for a total of \$220 per couple. Please note, COUPLES ONLY. There are 2 ladies waiting for partners. If you do not have a partner, please contact David at 317-407-8181 to see if partners are available.

Instruction will be Milongero Style as taught by Susana Miller from BsAs Argentina. The event will be held as an Encuentro not a Workshop or a festival. We seek to unite more experienced dancers committed to good navigational skills, Traditional Music, and Dancers who will voluntarily follow the codes of the Milonga.

Encuentros are weekend tango retreats hosted by rotating communities and attended by persons from Milongero Style Argentine Tango communities. Encuentros provide the opportunity to learn from highly respected milongero maestros from Argentina and around the world.

We offer a place for committed milongueros to learn from and dance with each other in a venue that encourages and supports the codes and atmosphere of a traditional Buenos Aires milongas. The music at Encuentros will be exclusively Golden Era traditional Tango.

Seating at the Encuentro Milonga will conform as much as possible, to the seating and arrangements as at a traditional Milonga in Buenos Aires. Participants at the Encuentro Milongas are expected to be familiar with and conform to the Codigos including the use of cabeceo to ask for and accept dances.

In this way we gather to dance together and support our hosting community in outreach and education.

Look up the **Tango Indy** web site (www.tangoindy.com) to assist with maps, directions, lists of hotels and various priced restaurants near the studio. I will seek to obtain hotel discounts for group rates if possible.

To insure gender balance all class Participants must be signed up as couples or be assigned as couples on a first come first serve basis for lessons.

Lesson structure; to save time and insure maximum instruction time the classes will not change partners. Five classes will be offered as intermediate level classes and the focus of all classes will be on dancing together, improving navigational skills and musicality , 'Dancing to the music.'

All classes and Milongas will take place at;
